Quality sponge and premium Microfibre on one side. Soft Microfibre "fingers" ease removal of dirt and grime.

Part Number: 64MLHW2

CarNut Sponge™ and DeBug Sponge™

A great all purpose polyurethane sponge, just the right size for your hand, this sponge keeps its shape and holds a great deal of water and suds. It has large pores to capture the dirt and an easy rinsing action. The DeBug Sponge™ with the added bonus of a bug scouring surface is great for cleaning off bugs, mud and grime off tyres and other hard to clean surfaces.

Part Number: 64MLH 350

Part Number: 64 MLH352

CHAMOIS

Professional Size Microfibre Super Absorber

A true Professional size for drying large areas. Fast absorption rate. Will dry car without wringing out. A real time saver.
